Sir:

Applicants submit herewith a statement on the substance of the telephonic interview held on September 2, 2009.

The Interview Summary prepared by the Examiner provides a concise and accurate summary of the matters discussed during the interview. Applicant's representative, Frederick R. Handren (Reg. No. 32,874) authorized amendments to claims 1, 3-6, 9, 12-14, 16, 18, 20 and 21 to be made by an Examiner's Amendment. Applicant's representative also authorized the cancellation of claim 17 by Examiner's Amendment. It was the understanding of Applicant's representative that, with the agreed-upon amendments, the application would be in condition for allowance, since all of the claims would be allowable over the prior art of record and would be in full compliance with the requirements of 35 USC § 112, second paragraph.
